Practice Manager

Teena Barbeler

Allied Health

Psychologist, Physiotherapist, Dietitian,
QML Pathology, Podiatrist, Denture Clinic

Consultation Fees

Doctors working in this centre have adopted a blended approach to private and bulk-billing fees to ensure all patients have equitable access to the quality healthcare they deserve and need. The standard fee for our Centre is \$75. Individual GP consultation may vary, as do fees for home visits and after hours. Payment is required at the time of consultation. We accept cash, credit cards, eftpos (not Diners or AMEX). Aged pensioners and children 15 years and under with a current Medicare card will be bulk billed 7 days a week. Bulk billing available for HCC holders from the second visit.

Personal Referrals

Feel free to refer your friends and family. We will be delighted to see them and ensure they also receive quality health care services.

Thank you for attending the centre. We look forward to being of service to you in the future.
