

MEDICARE FUNDED COUNSELLING SESSIONS FOR PREGNANT AND POSTNATAL MUMS

Recently Medicare has funded counselling sessions with a Psychologist during your pregnancy or within 12 months of birth. You will be able to have 3 x 30 minute sessions with Psychologist to discuss any of your concerns FREE.

Our onsite Psychologist Cornelia Bam is accepting referrals for this service. Just ask your Doctor today for a referral.

MUM & BUB GROUP SESSIONS

From February 2018 Cornelia is offering Mum and Bub sessions. These will be group sessions of 3 to 5 Mums and Bubs and will be held initially on the 3rd Saturday of the month running for 50mins. Cost of these sessions will be \$30 with a rebate of \$21.25 for up to 10 group visits per year, if you have a MHP in place with your Doctor. Or \$30 private fee.

POSTNATAL DEPRESSION – COUNSELLING with Psychologist

If you feel you are in need of further sessions, talk to your Doctor to see if you are eligible for a MHP. If you are eligible to have a MHP completed by your Doctor, this referral will allow you to have 10 visits per calendar year with only \$25.20 gap fee.
